This image shows step 12 of a LEGO Technic assembly. The main structure is a long, dark grey Technic beam with a grid of holes. It is supported by two dark grey Technic legs at the ends. On the top surface of the beam, there are several yellow Technic components: two yellow circular connectors (one on the left, one in the middle), and four yellow Technic axles (two on the left, two on the right). A white Technic connector is also visible on the right side of the beam. The background is a light blue gradient.

13

This image shows step 13 of a LEGO assembly. A long grey Technic beam is the central component. At the left end, there is a grey Technic connector. Along the beam, there are several yellow Technic pins. Two blue Technic seats are attached to the beam. A white Technic pin is also visible. The beam is supported by two grey Technic legs. The background is a light blue sky.

The image shows the box for the LEGO City 4433 Garbage Truck. The box is blue and features a large illustration of the green and white garbage truck. The truck has a green cab with a white roof and a large white body with green accents. It is shown with a green recycling symbol on its side. Two minifigures, a driver and a collector, are shown near the truck. The box also displays the LEGO logo, the word 'CITY', and the age range '5-12'.

The box art for LEGO City 4433 features a white fire truck with red and yellow accents, a black motorcycle, and a blue car. The background shows a city skyline. The LEGO logo and 'CITY' branding are prominent at the top. The age range '5-12' and the set number '4433' are displayed on the left side.

The image shows the box for the LEGO City 60136 set. The box is blue and white, featuring the LEGO logo and the word 'CITY'. It depicts a yellow and black sports car, a white delivery truck, and several minifigures. The age range '5-12' and the set number '60136' are visible on the box.
